Within **April 30th** free teams and free players (from any country) are welcome to register to the draft. After the committee has accepted free teams they have to pay the entry fee before **May 31st**.

Teams from member countries (Italy, Spain and Switzerland) and invited countries (any country with no or small national league: England, France, Greece and Luxembourg) are preferred over teams of countries with an established league (free teams). In order to support competition for the weaker teams only free teams of similar level will be allowed to join. The number of teams will be around 12.

For further information read the concept of the Trinations League.

Only after receiving the entry fee or proof of payment we will guarantee the participation of the team.

4. Draft of free players:

The registration for the draft will be closed on **April 30th**. Free players are kindly requested to fill the draft registration form in detail and provide her/his photo.

The list of free players will be shown to each team within **June 6th**. The team with the lowest ranking from the 1th tournament of the Trinations League may choose 1 free player or pass. Next to choose is the team with the second lowest ranking from the 1th tournament and so on.

5. Playing Schedule:

The playing schedule depends on the number of participating teams. A minimum of 4 matches per team is guaranteed.

Due to the tight schedule, it is essential that all teams and referees get ready before the previous match ends. Late teams and referees will receive penalties according to the regulations of the Trinations League.

6. Rules:

UWR rules of CMAS will be applied. Times will be adapted. The tournament Barcelona International 2016 is part of the Trinations League. The site of the dinner will be given once we closed the entry list. We will send an e-mail to the contact person of each team with the place and the price, that will be around 25€. We anticipate it will be an all-you-can-eat.

The site of the party will also be confirmed via email once we closed the participation list.

After sending the e-mail, you will be asked to confirm the number of players who will attend the dinner.

10. Exclusion of liability:

Participation at this competition takes place at one's own risk. The hosting club could not be considered liable for any personal or material damages.
