3. TriNations League

The 3NL Bergamo 2018 is the second tournament of the 2018 TriNations League (3NL). Refer to the full regulation of the 3NL for details. Any participating team must agree on the 3NL concept and regulation.

Priority at registration is given to member/invited teams and players of the League.

4. Registration

Registration request must be sent to the 3NL committee at 3nluwr@gmail.com. The registration is complete only after receiving the confirmation from the committee.

Only teams from invited countries are allowed to join, because the minimum number of members has been reached. No free teams are allowed.

Free players may register through the draft system compiling the module on the 3NL website (and send an email to 3nluwr@gmail.com). Only players applying before 31/07/2018 may be guaranteed the participation (if chosen by a team; according to the draft procedure).

Later applicants will be distributed on the day of the tournament at the team leader meeting, without guarantee to find a team.

5. Playing Schedule

The playing schedule depends on the number of participating teams according to the 3NL rules. Female games will not be held on Saturday (refer to section 16, below).

Due to the tight schedule, it is essential that all teams and referees get ready before the previous match ends.
