Priority at registration is given to member/invited teams and players of the League.

4. Registration

The registration is complete only after receiving the confirmation from the committee.

Later applicants will be distributed on the day of the tournament at the team leader meeting, without guarantee to find a team.

The playing schedule depends on the number of participating teams according to the 3NL rules.

Due to the tight schedule, it is essential that all teams and referees get ready before the previous match ends.
