As legal representative of the association, I confirm that:

- our association is interested in the partnership with “Trinations Underwater Rugby League” and we confirm our willingness to join the association “Trinations Underwater Rugby League” as a member for the season 2018; it is clear that our membership will be valid (for a limited duration) only after acceptance of the committee and payment of the membership fee.

- Our association undertakes to respect all the clauses included in the statutes of the association “Trinations Underwater Rugby League” and the resolutions of the Executive Committee. Our association undertake to pay the annual subscription set for each year by the General Assembly; I understand that we may loose the membership by not paying the annual fee and that we will not get refunded by leaving the association.
- Our association understand and agree that:
 - our Team Manager will be our representant at the assembly and will receive all the communications of the “Trinations Underwater Rugby League” association; he will also communicate any changes to the data above timely.
 - our Team Manager must promote the decisions and the initiatives of the “Trinations Underwater Rugby League” association to the members of our association.
 - our Team manager must promote the participation of our members to the organization of the association.
- With reference to the regulations in force concerning the protection of personal data, we authorise the “Trinations Underwater Rugby League” association to collect, treat, communicate and diffuse the above reported data and any other non confidential information we could communicate concerning our activities and/or that the Association could obtain from us later.
